Hi Kyle,

I won't be able to do Skype. However, I can do phone conversations. Anytime after 5:00pm.

Hi Simranpal,

Is it possible we could have a Skype meeting with you tonight? Scott has said we have until tomorrow to finish all the project requirements so we want to get those finalized with you. This would be the last chance to nail down exactly what you want us to do because we were supposed to be finished planning that 2 months ago and Scott has been very worried as we are supposed to be in the implementation stage of our project and well past design. Let me know of a time that works for you.

Thanks,  
Kyle Rennie.
