Hi Kyle,

Seems like you have already created an AWS account with ID ubco.bus.advisory@fremtidmedia.com. So I have added the credit card details to same account. Have a look and let me know if you need anything else.

Regards,

Simran

Hey Simranpal,

Sorry my teammate that was making the account forgot to say that a credit card was required, so to make it easier could you possibly make the account for us so we don't have to go back and forth with you.

Thanks,
Kyle Rennie

Hi Simranpal,

Can we have a contact number for the AWS account that is a cell phone. Apparently it is needed.

Thanks ,
