Hello all,

Simran, Could you please send all email to [abbasalikermali@gmail.com](mailto:abbasalikermali@gmail.com) because I think there seems to be a problem with this mail box.

Thank-you for your findings Wasek, we were experiencing road blocks as well. Could Fremtid provide a clear cut scope of what exactly needs to be done by the engineering team now that the scope has changed and other alternative methods have been introduced, just so we all have the same picture and goal.

Kind regards,  
Abbas

Hi Simran,

Thanks for the solution proposal. I have attached some of my concerns/comments with the email. Please have a look at them when you have time.

Cheers,
