Hi Abbas,

Good to hear! Let's schedule a meeting some time this week to go over the final working model. Would love to see it running. Also, have the Kyle and his team.

Thanks,

Hello Simran,

Our group has finally managed to get everything working. We are currently running through the code and simulating the results to confirm this. We will have the Final design report sent to you by the end of this week.

Hopefully, we will have everything ready to go for the poster presentation by the end of today.

Please let us know if you have any questions.

Kind regards,
Abbas & Team
